

Questions	Answers
<p>Round 3 Cares Act funding for "Non-Traditional" grant recipients - Can you provide any information on when funding agreements will be available. NCDOTs next steps needed? Thx</p>	
<p>If CARES was used for a portion of admin expenses and there is funding left in FY21 grant, will it be carried over to FY22? Is there a plan for how any remaining funds on the traditional 5311 grant will be used?</p>	<p>No final decision made yet. FY22 are being awarded very soon.</p>
<p>Do we need to do a POP extension to carry ADTAP funds over to FY22?</p>	<p>Cares ADTAP – POP is through June 30, 2022</p>
<p>For the direct recipients of the new 5307 funds, have the apportionment amounts been provided already</p>	<p>5307 direct recipients apportionments can be found on the FTA website for the ARPA funds.</p> <p>https://www.transit.dot.gov/funding/apportionments/table-2-american-rescue-plan-act-urbanized-area-apportionments-section-5307</p>
<p>Will the DHHS Vaccine funding be extended into FY22 or will we receive an invoice if all funds aren't spent by June 30th, 2021</p>	<p>Not yet determined. In discussions for next steps.</p>
<p>I have had a problem trying to make the EBS change. Who do we contact to release the agreement so that we can make the changes.</p>	<p>Please contact Myra.</p>
<p>Will FY22 5307 grants be moved forward/submitted to the FTA? Understanding that the FY21 5307 was delayed and that we may have some CARES funds, there may be (are in our case) some capital funding needs included in the FY22 5307 that weren't included in the FY21 5307 or CARES, so we really need this to move forward if possible.</p>	<p>Not yet determined, we will respond very soon.</p>
